

COST OF SERVICES

All services provided at Union Wellness Centers are covered 100%. That means no deductible and no coinsurance. There are also a limited number of generic drugs available free of charge.

Costs at Union Vision Centers may vary depending on your insurance plan.

A FOCUS ON PRIVACY

Your confidentiality is our top priority. Whether you need urgent care or routine services, federal and state law along with company policy ensures your personal health records remain private with our partner, Cerner.

*Union Wellness & Vision Centers
are here to help you achieve
your health goals.*

Union Wellness & Vision Centers provide quality, accessible care for all active employees, their spouses and dependents (ages 2 and up), and retirees.

A REDEFINED HEALTHCARE EXPERIENCE

Union Wellness Centers are focused on creating a personal healthcare experience that provides quality, patient-centered care in a comfortable and convenient environment.

The personalized experience includes:

No-wait model. Simply schedule your appointment by either calling or thru the patient portal. Arrive for your appointment, check in and go to a care suite minutes after.

Comfortable setting. Your confidentiality is our top priority.

Patient portal. Access health information, schedule appointments, and interact with your primary care provider in a secure online patient portal.

Advanced technology that improves care. State-of-the-art technology maximizes efficiency without sacrificing quality.

Union Wellness Centers can be your primary care provider and medical home for all of your healthcare needs, including managing chronic conditions, treating injuries, and helping you recover from common illnesses.

Please contact us if you have any additional questions about the scope of services provided. We look forward to helping you be well and stay well.

SERVICES

- Primary care
